**ATX ALANTIK CASA11 CASE WITH PSU**

DESCRIPTION

The CASA11 case is an ATX MiddleTower case supplied with an Alantik 500watt power supply with a 12cm fan and a SHUKO power cord.

The front and 'simple and essential, the controls and outputs are all placed in the front in the upper position.

The structure is new and although designed for office use can accommodate video cards up to 325mm.

The interior of the case is painted in black.

The price of this house which is the lowest of all Alantik houses combined with the new design and structure make this the most desirable case on the market.
