DESCRIPTION

The CASA32 case is an ATX MiddleTower case that comes with an Alantik 500watt power supply with a 12cm fan and a SHUKO power cord.

The front is simple and essential, the controls and outputs are all placed in the front in the upper position and can be mounted frontally 2 fans of 12 cm.

The interior of the case is painted in black.

The price of this case which is the lowest of all Alantik cases combined with the new design and structure make this the most desirable houses on the market.
