**CASE ATX ALANTIK CASA77 WITH PSU**

DESCRIPTION

The CASA77 case is an ATX MiddleTower case supplied with an Alantik 500watt power supply with a 12cm fan and a SHUKO power cord.

The front is particular, the controls and outputs are all placed in the front in the upper position and can be mounted frontally 2 fans of 12 cm.

The USB equipment includes 4: 2 version 3.0 + 2 version 2.0

The interior of the case is painted in black.

Despite the particularly complex and appealing front, the CASA77 maintains a competitive price compared to the economic office use, thus making this product very attractive especially in home use where, in the configuration of adequate power, it can also be used for gaming.
