ALANTIK CASAR2 ATX CASE WITH PSU

DESCRIPTION

The CASAR2 case is an ATX MiddleTower case supplied with Alantik 500watt power supply with 12cm fan and SHUKO power cable.

The controls and outputs are all located in the front part in an upper position and 2 12 cm fans can be mounted frontally.

The case has a bright rainbow front strip and the transparent side. The inside of the case is painted in black.

The price of this Alantik case combined with the new design and structure make this case the most attractive on the market.
