#### DESCRIZIONE

The XWar case is part, together with the XMachine case, of a new series of gaming houses by Gammec designed to immerse themselves in a more total way in the gaming experience.

The exposed upper supports, the fully grilled front and the side panel with big X, are the dominant features of this whole series that will not affect all the real gamers. Anhe the technical part has been particularly treated with a solid structure, lock-open, anti-shock brackets and presence of USB 3.0.

Also installed 2 12cm fans with acid green light.
