DESCRIPTION

The Cortek Genesis is an ATX 2.0 case, in fact it has housing for power supply and peripherals with a compartment for protection and separation from cards, which allows a great assembly cleaning and a large place for video cards (up to 390mm). Very special trim: two completely transparent side panels and 3 fans of 15LED (already 'installed) light in 7 colors selectable with remote control that also adjusts the speed of the same and light effects.
