CASE GAMING MicroATX CORTEK GRAVITY
GRAVITY

DESCRIPTION

The Gravity is the first MicroATX case of Cortek with structure 2.0, it has accommodation for power supply and peripherals with a compartment for protection and separation from cards, which allows a great cleaning of the assembly and a large place for video cards (up to 330mm despite the small size of the case).

Cortek Gravity is one of the MicroATX cases on the market with the most complete and advanced technical features, it has already installed: water cooler cage, 3 transparent panels with 4 x 30 LED light fans, top metal grill.
