CASE GAMING ATX GAMMEC WARTHOG
WARTHOG

DESCRIPTION

The Warthog house is the flagship case of Gammec. It has been built in 0.70mm sheet and is able to host up to 10 peripherals in the front part. It is available in 4 colors and has a truly unique line with access to peripherals, controls and doors protected by two independent branches. Cage for LiquidCooler already integrated in the structure, 2 USB 3.0 and CardReader are other important technical notes.
